

SACRED MARRIAGE

What if God designed marriage to make us holy more than to make us happy?

Marriage is much more than a union between you and your spouse. It is a spiritual discipline ideally suited to help you know God more fully and intimately. *Sacred Marriage* shifts the focus from marital enrichment to spiritual enrichment in ways that can help you love your spouse more. Whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God.
