What if God designed marriage to make us holy more than to make us happy?

Marriage is much more than a union between you and your spouse. It is a spiritual discipline ideally suited to help you know God more fully and intimately. **Sacred Marriage** shifts the focus from marital enrichment to *spiritual enrichment* in ways that can help you love your spouse more. Whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God.

Join us for this six session weekend event!
