May 30, 2021

KEY SCRIPTURES

- Romans 5:6-11
- John 15:9-17
- Romans 5:5
- 1 Corinthians 11:23-26

Gods unchangeable, unbreakable, unconditional, unending love is aimed at the undeserving, unloving, ungodly, unrighteous sinner.

KEY POINTS

- God's love was displayed on the cross for sinners.
- Paul describes the difference between a good man dying for a righteous man verses Jesus, the perfect man, dying for an ungodly man. This is love.
- Jesus says we are more than servants; we are His friends if we do what He asks.
- There is no greater love than when Jesus gave up His life.
- To fulfill the commandment of loving others, we are in desperate need of the Holy Spirit to love like Jesus loves.
- Remembering the great love that Jesus has towards sinners is one of the ways to reflect when taking communion: "Do this in remembrance of Me."

DISCUSSION QUESTIONS

1. What are some of the things that you reflect on during communion?
2. Why does God instruct us to remember?
3. If you were to attend a memorial service for Jesus, what would you say if asked to share?
4. On a scale of 1-10 (10 being excellent), how would you rate your love for other sinners?
