

# THE ARCHITECT AND THE WEATHERMAN

*September 5, 2021*

## KEY SCRIPTURES

- [Luke 6:46-49](#)
- [Romans 2:4-8](#)
- [1 Timothy 6:11-19](#)

## KEY POINTS

- Jesus challenges us to apply His teachings.
- The warning of imminent storms and coming judgment is motivation for reflection.
- We know that good works will not save us, but they are a barometer of our spiritual health.
- Foundations are costly. Jesus paid the price that allows Him to be our Rock. It costs us to follow Jesus and apply His teachings.
- The passage from Luke comes on the heels of his sermon on the plain.
- Foundation building includes fleeing from sin and pursuing righteousness, godliness, faith, love, steadfastness, and gentleness.
- We are to take hold on eternal life which leads to real life!

## DISCUSSION QUESTIONS

1. In your own words, what does building upon a foundation look like?
2. Look at the 6th key point. Which one of these are you lacking? Which one do you see in someone in your group?
3. What is real life to you? Circle back to the 18th and 19th verse in Timothy 6, “real life.”
