KEY POINTS

- The key to understanding the feeding of the 5,000 is found in the verse 34: His motive was to be “The Good Shepherd.”
- Jesus wanted His disciples to participate in the feeding.
- The blessing preceded the multiplication.
- The disciples were walking by sight, not faith.
- Jesus’s first act of shepherding the flock was to teach about the Kingdom.
- All were satisfied and the 12 brought home a basket each.
- This is the only miracle (other than the resurrection) that is found in all four gospels.
