

# I GOT MY DAD WITH ME

I-58 – Week 5  
January 29, 2023

## KEY SCRIPTURES

- [Numbers 13](#)
- [Numbers 14:1-10](#)
- [1 Thessalonians 5:11](#)
- [Romans 8:37](#)
- [Joshua 1:9](#)

## KEY POINTS

- Breaking the fast does not mean the spiritual battle is over. You *will* face difficult situations, but you have your Dad with you.
- Moses sent spies to check out the land of Canaan. The promises of God often come with opposition.
- God gave the spies a preview of the goodness of the land they were promised with an abundance of fruit.
- When you zoom in and focus on the problems and bad things, the promises and goodness of God become background blur.
- Opposition may look like walls build all around you.
- If you are a believer in Jesus Christ, His precious blood has set you free.

## DISCUSSION QUESTIONS

1. What type of perspective do you have most when you face giants (difficult situations) in your life? Are you zoomed in on the problem or do you have a different perspective? Explain.
2. Do you tend to allow situations to drive you toward God or move away from Him? Share about a time when this happened.
3. Describe a time where God or His promises became background blur.
4. How can your home group come alongside you in your difficult situations? How can your home group come alongside each other?
5. In what ways can you love someone that is broken right now?
