KEY POINTS

- Every book in the Bible reveals and points towards Jesus Christ.
- Jesus is the center of time and sovereign over it.
- We are all drawn to God because it is our created nature to be drawn to Him.
- We were not created to be separated from God; separation is a result of sin.
- Death and condemnation are our default settings because of sin.
- It has always been God's plan to save His people from their sins.
- Jesus is the Way, the Truth, and the Life.
- The penalty of sin has been paid ([Romans 5:8-11](#)).
- The power of sin has been disconnected ([Romans 6:20-23](#)).
- The presence of sin will ultimately be removed ([2 Peter 3:1-13](#)).
- We cannot walk two different directions at once; we are either walking towards sin or walking towards Jesus.
- It is by God's grace that we can repent and be reoriented towards Jesus.
- God's grace frees us from the penalty, power, and presence of sin.
- It is by God's grace that we are saved.
