- Romans 12:8
- Mark 6:32–43
- John 4

KEY POINTS

- The Mercy gift flows through people that can empathize with pain, sorrow, and lack.
- The gift of giving flows powerfully through some in the body. This gift helps to fuel the Body in so many ways!
- The gift of encouragement is a gift that will come alongside others, building them up with hope, courage, and faith.
- The gift of administration is the engine room behind so many ministries within the body. The administration gift brings order to chaos and structure where needed!
- God gives gifts to be used, not to be hoarded or avoided.
- The gift of helps does lots of the heavy lifting in the body, and without this gift, the body doesn't function.
